

HOMWORK: YEARS 1 & 2 YSGOL GYMRAEG GWENLLIAN

Area of Learning	Challenge 1	Challenge 2
Health and Wellbeing	April 12 th is Florence Nightingales' birthday and International Nurses Day. Research into and write a list of facts about Florence Nightingale.	Why not show your thanks and celebrate International Nurses Day and by creating a piece of art for all the NHS Staff who work tirelessly and selflessly for us. Why not use recyclable materials to make your art work or natural materials to make transient art?
Humanities	Use the video clips / worksheets to learn some French.	Research and write a list of interesting facts / create a power point presentation on France.
Science and Technology	Use recyclable materials to create a sun catcher. What different shapes / images can you make? 	Make a bird feeder out of recyclable materials. What ingredients will you need to make the bird food?
Creative Arts	Design and make the perfect baguette. What ingredients have you used? Give your baguette a French name.	Create a 3D model of the Arc De Triomphe or the Eiffel Tower – why not use recyclable materials or lego?
